COUNCIL ELECTS NEW OFFICIALS.

Two Members of Old Police
Force Dropped by Board
at First Meeting.

SALARIES ARE FIXED.

Wade H. Whitley Elected as
City Attorney to Succeed
Chas. A. McMillan.

Officers to serve the city for the ensuing two years were elected at the meeting of the new City Council held last night. The seven members of the board who received the oath of office on December 1, were present, and the state prepared at the caucus held a few days ago went through without difficulty.

Two members of the police department since the present administration assumed the affairs of the city, were dropped from the roster, they being Patrolman Chas. Thomas and G. W. McKenney, George W. Judy and J. W. King being chosen in their stead and William Collins, who has served as City Electrician, was defeated by Howard Lancaster, a former incumbent. Earl McCracken was elected to the position held by King, who will become a member of the police force.

Upon the convening of Council, the usual number of accounts were allowed, a few building permits were granted, which was followed by the fixing of the salaries of the city officials. Councilman W. O. Hinton recommended that the salaries be fixed as follows, and the motion carried by a vote of 6 to 1: Mayor, \$100 per month; Councilmen, \$3 each meeting; City Attorney, \$500 per annum; City Clerk, \$50 per month; Chief of Police, \$100 per month; Patrolmen, \$75 per month each; Superintendent of Streets, \$85 per month; City Electrician, \$90 per month, two firemen, \$75 per month; Inspector of Weights and Measures, \$30 per month; City Attorney, \$500 per annum; City Collector, \$500 per annum; City Assessor, \$400 per annum.

After fixing the salaries the election of officers was proceeded with. Councilman Hinton moved the nomination of J. W. Hayden as City Clerk, who was unanimously elected. For City Attorney Councilman Hinton placed in nomination Wade H. Whitley, while Councilman Brooks nominated John J. Williams. The vote resulted four to two in favor of Mr. Whitley.

Attorney P. A. Thompson, who has been prominently mentioned as the successor to City Attorney C. A. McMillan, yesterday withdrew from the race in favor of Mr. Whitley, and although his name was not presented for a vote he received the complimentary vote of Councilman Kenney.

For the members of the police force Councilman Hinton placed in nomination George W. Judy, while Councilman Kenney presented the name of G. N. McKenney, the former being elected by a vote of 5 to 2. James Moreland, who was nominated by Councilman Speakes was unopposed and received the entire vote of the Council, as did J. C. Elgin, who was nominated by Speakes. J. W. King was nominated by Mr. Hinton and Charles Thomas was presented by the opposing forces, King winning by five to two.

John Cain, who for the past four years has served the city in the capacity of Street Superintendent, in an efficient manner, was placed in nomination and received the entire vote of the Council.

Howard Lancaster, for City Electrician was elected over William Collins by a vote of five to two, and Chas. Barnett as a member of the fire department, was elected without opposition. Earl McCracken was elected as fireman over Webster Harp by a vote of four to three. Other officials elected without opposition were: Inspector of Weights and Measures, M. F. Kenney; City Treasurer and Collector, C. K. Thomas; City Assessor, L. D. Harris; Health Board, F. P. Campbell, C. J. Clarke and Monroe Mansfield.

INFERIOR GRADES OFFERED ON THE PARIS MARKET

One of the best sales of the season was held Tuesday when 41,855 pounds were sold for a total of \$5,524.98, or an average of \$13.22 per hundred, grade. Following are a few of the average. Following are a few of the averages:

Brennan & Kissick, of near Kenney Station, sold 14,280 pounds of tobacco for a total of \$2,182.44, or an average of \$14.93.

D. C. Lisle & Rose, of near Centerville, sold 7,035 pounds for a total of \$936.69, or an average of \$13.34 per hundred pounds.

Cleveland & Gray, of near Paris, sold 5,525 pounds of tobacco for a total of \$770.77, or an average of \$13.92 per hundred pounds.

Roseberry & Simpson, of Bourbon, sold 2,385 pounds of tobacco for a total of \$286.57, or an average of \$12.23 per hundred pounds.

In spite of the inferior grades of tobacco offered at the sale of the Bourbon Tobacco Warehouse Co., yesterday, good prices prevailed through-

out the day, and the sale was one of the most satisfactory of the season. A total of 7,759 pounds were sold at a general average of \$12.34.

The consignments at the sale yesterday were poor and medium grades, but the bidding was very spirited, and the top price of the day was obtained for a portion of the crop of Mr. O. P. Clay, which went for \$21 per hundred.

In the sale yesterday was tobacco from adjoining counties, much of the offering being from Montgomery and Clark, the fact having gone broadcast that the price on the local market was holding up to a greater extent than any other market in Central Kentucky. Growers as a whole were well satisfied with the price obtained for their consignments, and rejections were very few.

Tobacco of extra quality has been very scarce on the local market, but the demand for the choice offerings has been very brisk. The same conditions prevailing in other places makes it necessary for the buyers to satisfy themselves with the best that can be procured.

The best averages of the sale yesterday were: R. R. Crouch, 3,590 pounds, average, \$14.35.

Clay & Toohy, 8,505 pounds, average, \$14.55.

Clyde Forman, 345 pounds, average, \$13.43.

Claybrook & Stauser, 2,595 lbs., average, \$17.83.

W. D. Tuttle, 2,940 pounds, average, \$17.83.

W. D. Tuttle, 2,940 pounds, average, \$12.23.

Clay & Crook, 14,775 pounds, average, \$13.27.

J. S. Leggett, 6,015 pounds, average, \$11.76.

R. R. Crouch, 1,150 pounds, average, \$16.60.

W. H. Mann, 1,505 pounds, average, \$13.11.

J. C. McDaniel, 3,205 pounds, average, \$12.89.

WM. H. TAFT PLEASSED WITH FRANK CROXTON'S SINGING

At a dinner given at Delmonico's on the occasion of the twenty-fifth anniversary of the St. Andrew's Society of New York City ex-President Taft was the guest of honor. Mr. Frank Croxton, who will give a recital at the Baptist church, in this city, tonight was the soloist on this occasion. Mr. Taft was so much pleased with his rendition of Kipling's "On the Road to Mandalay" musical setting by Oley Sparks that he remained after the dinner with a party of friends requesting Mr. Croxton to repeat the song. The party gathered around the piano and quite an informal little musicale was given. Mr. Taft is quite a musical enthusiast, having been identified with the Cincinnati May Festival Association as one of its directors for a number of years. Following is the program of the recital:

 - PART TWO.
 4. Shakespearean Songs: "She Never Told Her Love"—(Twelfth Night)—Haydn. "The Willow Song"—(Othello)—Thomas Dallin's Lullaby. "Antony's Song"—(Winter's Tale)—Greenhill.

SEEKS TO AMEND
STATE GAME LAW

Measures seeking to recodify and amend the fish and game laws will be submitted to the next Legislature for passage. Mr. J. Quincy Ward, Executive Agent of the Fish and Game Commission, is preparing the new measures with the assistance of the commission, and many changes in the present laws will be asked.

A bill seeking to protect all fur-bearing animals, such as beaver, mink, raccoon, otter, opossum, fox, skunk and muskrat, will be introduced which will make the open season for hunting such animals from November 1 to April 1. The present open season begins in September, and Mr. Ward says that the change is made because the fur of such animals is worth four times as much in November as in September.

A limit of the number of game birds to be bagged in one day is fixed at fifteen, and all violators of the law will be fined not less than \$15 for each offense. The open season for killing doves will be from the first of August to the first of September, the number to be killed in one day not to exceed fifteen.

In order to improve the fish conditions, no fishing will be allowed between April 1 and June 1, and the use of artificial bait in the spring will be expressly prohibited. No nets of more than one-half inch mesh, ten feet long, can be used. The use of steel balls in shooting fish is prohibited by the present law, and an amendment prohibiting the use of lead balls will be made. The practice of dynamiting streams for fish is one of the hardest problems that the commission has to deal with, and the new measure will provide that this be made a penitentiary offense. A fine of \$25 is imposed by the present law for seining. The fine will be increased to \$50 for each offense.

CHRISTMAS WHISKIES.

OUR WEEKLY NOVELETTE.

They flew to the left.
They flew to the right.
Until every last snake
Had flown out of sight.

St. Patrick, with his band of chosen men, was driving the snakes out of Ireland. It was one of the busiest days of his life. (See Agnus Clannully's "Busy Days of Busy Saints.") Suddenly, from behind one of the green hills of County Dingaoholey, there darted a poor peasant with his hair flying and his eyes wide with fear.

"St. Patrick!" he shouted. "St. Patrick, stop, for the love of St. Mike. Oh, murther!" (See Isador Lichtenogobber's "Folk Sayings of Ireland and Elsewhere.")

"Stop!" ordered St. Patrick and the frightened man threw himself at the feet of the good man.

"While you're orderin' the snakes out of ould Ireland, St. Patrick, dear," he begged, "turn to the left a few minutes and drive out the fateful nest of pink an' green sarpiants with yellow whiskers that do be reveilin' beyant yonder hill!"

"To the left, you say?" demanded St. Patrick.

"To the left it is, Riverint sir."

St. Patrick leaned over and took a whiff of the fellow's breath.

"Twill take more than a saint to drive those snakes away!" he said with a grim chuckle. "Men, keep on to the right."

L. & N. TO HAVE ALL-STEEL
EQUIPMENT, INSURING SAFETY.

The Louisville & Nashville Railroad Company is completing arrangements to replace all its old wooden passenger coaches and baggage cars with the latest style of steel coaches now in use on the Pennsylvania system and other big roads in the East.

This announcement was authorized last Wednesday from the general offices of the company, together with the statement that the first steel cars will be ready for use by July or August next year.

FRANKFORT PRISON TO
KILL ITS OWN BEEVES

The high cost of living in the prisons of the State has been met by the determination of the State Prison Commission to cut off the middleman's profit on beef, and the experiment of slaughtering cattle will be tried out at the Frankfort Reformatory, in Frankfort, without delay. Warden A. J. Wells has leased a slaughter house in South Frankfort from C. W. Finnell, and has advertised for cattle. Steward John Shnorbus, who is a butcher by trade, will superintend the slaughtering. About six head of cattle a week are required to supply the Frankfort Reformatory. Heretofore, only forequarters have been purchased on the market for fresh meat, and the Commission's believe the inmates will get more benefit and variety under the new plan at no greater cost, and probably at much less cost.

A woman can make a name for herself by marrying anything that grows whiskers. But it is different with a man.

ELLERY'S BAND TO PLAY
HERE DECEMBER 20.

Ellery's Band which last summer gave a concert at the Paris Fair Grounds, will return to this city on December 20 for two concerts at the Grand Opera House. Mr. Rudolph Davis, who has had charge of the subscription paper that has been in circulation, reports that almost enough subscriptions have been secured to assure the return of this famous organization which, since its engagement here, has been playing at the National Conservation Exposition at Knoxville, Tenn. The band created quite a sensation here and was highly appreciated by the music loving public of this city. One performance will be given in the afternoon, beginning at 3:30 o'clock, and the second at night, beginning at 8 o'clock. The afternoon performance is arranged for the benefit of the out-of-town persons who desire to attend.

The fact that a girl has a beam like an ocean liner shouldn't scare a fellow away from the idea of matrimony. The thinner they are, as a rule, the more they eat.

The trouble about prayer is that if a man gets an answer once or twice he spends all his time getting blisters on his knees instead of on his hands.

**Got Missing Figures**

THE General Manager was presenting plans for an extension of the factory to the company's directors at Detroit. He found that he had left an estimate sheet in his desk at the factory. He called up the factory on the Bell Long Distance Telephone. His assistant read the figures to him and the directors were able to act without delay.

Annoying delays are avoided by the use of the Bell Telephone.

SALE OF MANUFACTURERS' SURPLUS STOCK
At Prices Positively Reduced One-Third to More Than One Half
from Actual Values.

The recent warm weather caused all manufacturers to be overwhelmed with surplus stocks, caused by cancellations, etc. These stocks had to be turned into cash at once, so we took advantage of the conditions and bought tremendous quantities of high class merchandise at ridiculously low prices.

These sensational values, together with our own readjusted stocks, are now on sale proportionately reduced. This important event is without question the greatest bargain-giving sale of the year.

OUR WEEKLY NOVELETTE

Dr. Skingwurst gravely felt the baby's pulse once more.

"Strange, Mrs. Skangwobble," he said, "I don't seem to be able to locate the trouble at all. The child's pulse is only 203, and her heart only misses every third beat. Apparently she is sound and well."

"No! No!" sobbed the distracted mother. "She has not been herself for three days. She makes strange sounds, and yesterday she tried to bite her father. Something ails her, I am sure."

"I will take another X-ray photograph of her stomach," said the doctor, and he did so, but the examination showed nothing in that organ but a few three-inch nails, a small rubber ball, a button hook and a spool of thread.

"A normal baby's stomach," Dr. Skingwurst assured the mother.

"But the child is not well, I tell you, doctor!" cried Mrs. Skangwobble. "She never behaved so before in her life. She actually threw her bottle at me this morning, and she says things that I'm sure wouldn't be lady-like if she could talk."

The doctor pondered, then suddenly his face lit up, all but his beard.

"Did I understand you to say, Mrs. Skangwobble," he asked, "that you took the baby with you when you went to hear Mrs. Pakchurst's lecture the other day?"

The mother breathed a sigh of relief and understanding.

"Oh, I see now, doctor!" she cried. "I suppose we will just have to beat it out of her!"

SLOAN'S LINIMENT

relieves rheumatism quickly. It stimulates the circulation—instantly relieves stiffness and soreness of muscles and joints. Don't rub—it penetrates.

Rheumatism Never Returned

"I am a travelling man and about one year ago I was laid up with rheumatism and could not walk. A friend recommended Sloan's Liniment and the morning after I used it my knee was all O.K. and it has never bothered me since. I always keep your Liniment in the house and carry it with me on the road."—Mr. Thomas S. Harter, West Philadelphia, Pa.

Rheumatism Neuralgia

Stiffness Vanished

"I suffered with an awful stiffness in my legs. That night I gave my legs a good rubbing with Sloan's Liniment and believe me, next morning I could jump out of bed. I have been supplied with a bottle ever since."—Mr. A. Moore of Manchester, N. H.

Sprained Ankle Relieved

"I was ill for a long time with a severely sprained ankle. I got a bottle of Sloan's Liniment and now I am able to be about and can walk a great deal. I write this because I think you deserve a lot of credit for putting such a fine Liniment on the market and I shall always take time to recommend Dr. Sloan's Liniment."—Mrs. Charles House of Baltimore, Md.

Sloan's Liniment gives a grateful sensation of comfort. Good for sprains, neuralgia, sore throat and toothache. Use it now.

MR. SHERLEY MAY SEEK LEADERSHIP.

Representative Swager Sherley will be a candidate for the majority leadership of the House to succeed Representative Oscar Underwood, unless all signs fail. Sherley admits he is seriously seeking the position, as a result of the insistence of friends in and out of Congress. As the selection of a majority leader will not be made for over a year, there is no need to "get busy" on the proposition now, according to Mr. Sherley. On the theory that one cannot cross a bridge until one gets to it, Mr. Sherley declines to commit himself unreservedly in this connection.

DON'T BE MISLED

Paris Citizens Should Read and Heed This Advice.

Kidney trouble is dangerous and often fatal.

Don't experiment with something new and untried.

Use a tested kidney remedy.

Begin with Doan's Kidney Pills.

Used in kidney troubles 50 years.

Recommended here and everywhere.

The following statement forms convincing proof:

Mrs. R. F. Flynn, 224 Cox Street, Lexington, Ky., says: "My back was so sore and lame that I couldn't rest well. I couldn't lie on my back a bit for six months. When I tried to stoop or get up after sitting, sharp pains seized me in my sides. The kidney secretions bothered me, too and I was in bad shape. When I was told to try Doan's Kidney Pills I did. They removed the trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

CROXTON RECITAL PROMISES TO BE A MUSICAL TREAT.

The Frank Croxton concert promises to be the musical event of the season and will be a musical treat for the people. It is to be given at the Baptist Church Friday evening, Dec. 12, at 8 o'clock, and a crowded house ought to greet Prof. Croxton.

The Houston Daily Post comments: "Frank Croxton's gloriously rich bass voice still pours itself out in flood, full and smooth, of pure melody. His singing of the now seldom heard aria from Verdi's 'Sicilian Vespers' brought storm of applause compelling to sing twice more, his third selection being Sidney Homer's 'Jimmy Rone,' which Mr. Croxton sings incomparably."

IF CHILD IS CROSS, FEVERISH AND SICK

Look, Mother! If Tongue is Coated Give "California Syrup of Figs."

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages, and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by the "California" other kind with contempt.

LUKE M'LUKE SAYS:

A girl wouldn't go down stairs with a dirty handkerchief. But she never forgets to stuff a dirty piece of chambray that looks like an old shoe in her handbag because she has to mop off her nose and her lip every now and then.

Too often the taste for virtue has to be cultivated.

A good mule is worth \$250, but there are plenty of human jackasses who wouldn't bring a dime bid at an auction.

BUY RED CROSS CHRISTMAS SEALS.

"Use the Red Cross Christmas Seals" will be the reminder which will greet the Christmas shoppers in Paris on every hand, beginning next week and continuing through Christmas.

These seals will, as in seasons past, be sold at one cent each, and will be on sale at several places in this city, the localities to be announced later on. The design is very attractive, and every one placed on packages will represent one cent added to the fund to fight the greatest scourge of humanity—tuberculosis. Churchgoers will be told about it from the pulpit, school children will hear about it in their class rooms, and society girls will spread the gospel at social functions and among their friends.

Buy Red Cross Christmas Seals! One cent each! Not good for postage! Use only on back of mail matter! Issued annually by the American Red Cross Society, and sold by the millions all over the United States to help finance the campaign against consumption. The proceeds of the sale in Kentucky will be used in Kentucky, and, as far as practicable, in the locality from which the money is derived. Supporting visiting nurses, sending prophylactic supplies, and directions for home care, to consumptives, and establishing open air schools, are some of the ways in which Kentucky's fund will be spent.

Morehead; "Waltz Eccequique," "Concert Waltz," Miss Clara Belle O'Neill; "The Little Gray Dove," "At Dawning," "Spring Song," Mrs. Fithian; "On Blooming Meadows," Mrs. Morehead; Duet, "O, That We Two Are Maying," Miss Fithian and Prof. Morehead.

Summers, Mrs. Amos Turney, Jr., and Mrs. Edward Prichard, who rendered the following program: "Rustling of Spring," piano, Mrs. Whitley; "A Finnish Rune Song," Mrs. Turney and Mrs. Prichard; "Gretchen, or the Mother's Lament," "The Gull," Mrs. Turney; "Cradle Song," piano, Mrs. Whitley; "In The Boat," "The First Promise," Mrs. Prichard; "Last Night," Mrs. Turney; "Wedding March," "Bridal Chorus," piano, Miss Summers; "Ole Bull's Christmas," a reading was rendered by Miss Blanche Lileston. After the program, a business meeting was held for the purpose of making final arrangements for the sale of Red Cross Christmas Seals. This work will be taken up systematically by the club, assisted by representatives of the various churches, and it is the aim of those having the work in charge to make

this the most successful sale that has ever been held.

—The Missionary Society of the Presbyterian Church will meet on Monday afternoon at 2 o'clock with Miss Mamie Spears at her home in High street.

LARGE TOBACCO BARN BURNED TOGETHER WITH ITS CONTENTS.

A large tobacco barn on the farm of Mr. I. D. Thompson, on the Clintonville pike, near this city, was destroyed by fire about twelve o'clock Monday night, together with its contents, a large amount of tobacco and farming implements.

The building contained 12,000 pounds of tobacco belonging to Mr. Thompson and his tenant, Mr. Ross, and the crop was insured for \$1,200.

Besides the tobacco, Mr. Thompson had a quantity of farming implements, harness, etc., in the building, all of which was burned.

It is thought that the fire originated in a straw pile, near the barn, which was set on fire by the wind blowing sparks from a wood fire nearby, which had been used in killing hogs. Mr. Thompson's loss will be in excess of \$3,000.

Fire, wind and lightning insurance. Thomas & Woodford.

CINCINNATI ROBBERY SUSPECT ARRESTED IN PARIS

A man giving his name as J. L. Brown, alleged to be wanted in Cincinnati for the robbery of a woman, was arrested in this city yesterday morning by Chief of Police J. C. Elgin, as he alighted from a freight train, and is being held awaiting the arrival of the Cincinnati authorities. The arrest of the man was made on information furnished to the local department from the Cincinnati detective department, and the description tallies exactly with the man held in custody. Chief of Police Elgin communicated with the Cincinnati department, and Chief of Detectives Cal Crim came to Paris last night to identify the man. If he should prove to be the man, if he the official will return him to Cincinnati today.

Brown denies that he is the man wanted by the Cincinnati officials, and says he will return without a requisition.

NEGRO RUN DOWN BY TRAIN AND INSTANTLY KILLED

Tom Clay, colored, aged about 35 years, was struck by northbound passenger train No. 40 at Talbot Station, three miles from this city and instantly killed.

Clay had been employed on the farm of Mr. Harry Baldwin until yesterday morning when he left the place ostensibly to go hunting in the Shawhan neighborhood. He was walking along the track in the direction of Shawhan when the train was rounding a curve. The engine crew saw the man on the track and giving the usual signal expected him to step to one side while the train passed. Instead Clay remained on the track. It is the opinion that he thought the train was coming toward him on the opposite track. The train was in charge of Conductor Harry Mitchell, of this city, who reported the death of the negro on the arrival of the train at Shawhan, where the body was taken. Coroner Rudolph Davis had the body removed to the undertaking establishment of Mr. George W. Davis, in this city.

Both of Clay's legs were broken, and his right arm fractured between the elbow and the shoulder. He also sustained a deep cut on the back of the head. The blow on the head caused his death.

W. H. RENICK HOMESTEAD BURNED TO THE GROUND

A large frame house near Clintonville, known as the W. H. Renick homestead, was totally destroyed by fire about noon Monday. The house was a large two-story frame structure situated on the Clintonville and Austertiz pike about three-quarters of a mile from Clintonville, and was the property of Mrs. Ballard, of Winchester. It was occupied at the time it was destroyed by a Mr. Scott and family, tenants of William L. Crim, of Avon, Ky., who rents the farm. The family had just finished their noon meal when smoke was discovered issuing from the roof of the house. The farm bell was rung and the telephone exchange at Clintonville was asked to give the alarm. In thirty minutes fifty or sixty persons arrived on the scene, and succeeded in getting out all the furniture and other contents of the house, but the house itself was completely destroyed. The origin of the fire is unknown.

DEATHS

PARKER.

Lying face downward on the floor of her room at the Tipton House on High street, her contorted features bearing evidence of a struggle with the death throes, Mrs. Mamie L. Parker was found dead Tuesday evening about six o'clock. Life had been extinct for several hours. The discovery was made by her husband, Capt. Ben Parker, a Louisville & Nashville railroad conductor.

Mrs. Parker who was aged 31 years had been in poor health for some time, and had only recently been discharged from the Massie Memorial Hospital, where she had been under treatment.

Coroner Rudolph Davis was notified and with Dr. J. T. Brown, Mrs. Parker's physician, went to the home, where an investigation into her death was made. Coroner Davis decided an inquest was not necessary, and her death was attributed to heart disease.

Capt. Parker left his home Monday afternoon to go out on his regular run on the railroad, and on his arrival home Tuesday evening went directly to his room, where he found his wife lying on the floor. There were several roomers in the house who gave out the statement that they heard no sounds from the room occupied by Mrs. Parker since before supper Monday, and they thought perhaps she was away from the building. The bed in the bedroom showed that she had been lying down, and some fancy work was lying beside her. It was presumed that she was taken ill on Tuesday morning, and in an effort to summon assistance had gotten up from her bed and made her way half across the room when she was seized by death, which probably ensued at least twelve hours before the body was discovered.

Mrs. Parker was formerly Miss Mamie Gillespie, daughter of Mr. Robert Gillespie, of Falls Mills, Va. She was united in marriage to Mr. Parker in 1896, and a year later came to Paris, where they have since resided. She was a member of the Christian church and a most popular and attractive woman. During her residence in Paris Mrs. Parker had made many friends who will be grieved to learn of her death.

Besides her husband and father she is survived by three sisters, Mrs. Harry Baldwin, of Bourbon county; Mrs. Charles Bolling, of Maysville; and Mrs. Jas. Baldwin, of Falls Mills, Va. Also by one brother, Mr. T. S. Gillespie, of North Fork, West Va.

The funeral services over the remains were held yesterday afternoon at her late residence, conducted by her pastor, Rev. W. E. Ellis. The interment took place in the Paris cemetery.

The honorary pall-bearers were: William Shire, Dr. William Kenney, Joseph Varden and W. O. Chambers. Active, J. W. Throckmorton, Thomas McDonald, Dr. C. J. Clarke, Fred. Frenenberg, E. C. Hawkins and D. S. Jordan.

MARSH

—Miss Nellie Russell Marsh, aged about 46 years, died at her home yesterday morning, at an early hour, following an illness of about a week of Bright's disease. Miss Marsh had

been in her usual health until about two weeks ago, when she was in town, and a few days after was taken ill. Her condition assumed a critical stage Tuesday, and the members of her family were very apprehensive as to her condition.

Miss Marsh was one of the most popular women of this community. She was a staunch member of the Presbyterian church and an active worker in the societies of the church. She was a daughter of the late J. W. Marsh and Anna Steele Marsh.

She is survived by two brothers, Messrs. Thomas K. Marsh and W. Steele Marsh, of this city, and one sister, Mrs. Howard D. Carpenter, of Chicago.

The funeral will take place this afternoon at 2 o'clock. Services at the residence on the Maysville pike, by Rev. E. M. Shive. Burial in the Paris cemetery. Pall-bearers: E. B. Marsh, John Steele, M. F. Kenney, Harry Marsh, Dr. J. T. Vansant, B. G. Marsh.
